

IPad

Charging Your IPad Quick Reference Guide

One on One Appointments are available and they are FREE!! Call Beth 260-244-5541 to schedule a free appointment today!!

1. Look at the notification status located in the upper part of your device.
2. There you will find a battery icon displaying the amount of time you have left on your device.
3. The battery icon will display your battery life. The battery icon when full, will be completely colored in. (If you have activated the percentage through settings, then you should also see the percentage of how much battery life you have. To activate this feature go to Settings—General— Usage)
4. As you use your device the colored area will begin to lower, as well as the percentage if you have chosen to activate this feature.

1. Once you have identified your battery and battery life you can now begin to charge your unit.
2. By using the USB cord that came with your IPad tablet plug the cord into the bottom of the IPad.
3. Once you plug in the cord, the unit will recognize this. A lightning bolt will be displayed by the battery icon indicating you have connected a charger.
4. As the unit charges you will see an increase in the bar of color, as well as the percentage.
5. If your unit recognizes the cord being plugged in, but says “not charging”, you will need to replace the cord.

Connecting to WIFI

1. Go to your settings
2. Push on WIFI
3. Make sure it is turned on
4. Find your device in the list of WIFI devices
5. This will allow you to connect automatically

Downloading Apps

1. Press on the App Store Icon
2. Upper right hand corner is a search field
3. Type in what you want to download, for example: Facebook, Overdrive, Instagram, Freegal, Freading etc. (Shopping online? Almost all department store apps are available to download)
4. The icon will appear, as well as details about that Icon
5. A cloud may appear indicating this application will be downloaded to the reserve storage space of cloud. Or it may say “Free” or “Get” meaning there is no charge for the app. If it says “Buy” this means the app is not free and a price will be listed. If you choose to purchase an app a password will be required to complete installation.

Gestures

Tap: The most basic gesture, simply tap your finger on what you want to interact with.

- **Open an app:** Tap an app icon on the Home Screen.
- **Issue a command:** Tap a button.
- **Follow a hyperlink:** Tap a link in Safari.
- **Enter text:** Tap a text field to begin editing text, then tap the keys on the keyboard to type.

Drag: Place your finger on the iPad's screen, then drag it across the screen.

- **Scroll:** Tap and drag to scroll up, down, left, or right wherever you can scroll.
- **Move Between Screens:** Tap and drag the Home Screen to move between Home Screens.
- **Use Sliders:** Tap and drag across the **Slide To Unlock** and **Slide To Power Off** sliders.

Flick: Place your finger on the iPad's screen, then drag it across the screen quickly and release.

- **Scroll:** Flick your finger across the screen to scroll quickly. The scrolling motion retains momentum after your release your finger.
- **Pinch Zoom:** Place two fingers on your iPad's screen and pinch them *apart* to zoom in, and pinch them *together* to zoom out.

Notifications and Quick Access

Swiping down from the top and up from the bottom gives you notifications and quick access settings
