

Dragons

It has a crested head, enormous claws and teeth, and often spouts fire. This mythical monstrous winged and scaly serpent has been the subject of legends and folk tales for centuries. Some are bent on destruction while others have a more genteel spirit.

Whether you like knights slaying them or young boys training them, you're sure to find a good read among our list.

(Not all titles may be available at our library but may be acquired through other Evergreen libraries or through (ILL) Inter Library Loan)
