

DYSTOPIAS

"Utopian" describes a society that's conceived to be perfect. "Dystopian" is the exact opposite – it describes an imaginary society that is as dehumanizing and as unpleasant as possible.

With *The Hunger Games* and *The Maze Runner* going from the book shelf to the big screen, it seems we can't get enough of broken societies and oppressed civilizations. If this is your genre, then we have the list for you. Read on and you will witness the rise and fall of humanity as we know it!
