

# HISTORICAL FICTION

**Historical Fiction**—A story that takes place in the past and is mainly characterized by an imaginative reconstruction of actual historical events and people.

Think reading about history is dry and boring? How about adding a little fiction to it!

In these stories you will learn about actual events and maybe even some famous people in history, but entwined within the walls of reality is a fictional story of characters and events that “could” have taken place.

Enjoy the list!

(Not all titles may be available at our library but may be acquired through other Evergreen libraries or through (ILL) Inter Library Loan)
