

CAN YOU

Survive

A TRIP TO

MARS?

HEY!

THANKS FOR DOWNLOADING THIS!

I HOPE YOU ENJOY!

About this Product:

I designed this to be used with 6th or 7th grade science students! It is based on real space travel concerns. It is a choose-your-own-adventure style game where teams of students learn about the dangers of space!

What's Included:

- [Digital student worksheet](#) to fill out as you work through the slideshow
- [Slideshow](#) that tells exactly what to do at each step
- [Separate slideshow](#) that shows the results of each decision
- [Digital student reflection sheet](#)

How to Use This Product:

1. Make a copy of each of the four links above.
2. On Day 1:
 - Put students in groups of 3-4, or keep them as individuals if you choose.
 - Give each a copy of the digital student worksheet. They will each fill it out as you go through the slideshow.
 - Display the slideshow and follow the directions to help students decide what to do in their space journey.
3. On Day 2:
 - Give students a copy of the digital reflection sheet.
 - Go through the results slideshow with them.
 - Determine who survived their trip to space!
 - Have students complete the reflection questions.
